Da Capo Inventory Assistant

Initial Setup · https://docs.dacapoinventory.com/doc/da-capo-inventory-assistant/

The Assistant is a chat helper grounded in the official Da Capo Inventory documentation. Ask how-to questions in plain language and get step-by-step answers with links to the docs.

Where to go

Click the **comments** icon in the top navigation bar (tooltip: Da Capo Inventory Assistant).

How to use it

1. Open the Assistant.
2. Type a question (for example: “How do I assign a locker?”) or tap a suggestion chip.
3. Read the answer and open any linked documentation sources.
4. Use **Clear my history** if you want a fresh start.

What to ask

- How-to questions about inventory, enrollment, lessons, parent portal, fundraising, and other Da Capo features.
- Rollout / milestones questions (“What should I turn on next?”).

What not to ask

- Do **not** include particular student names or private student details.
- Do **not** ask health, medical, or disability questions about students.

The Assistant reads from docs.dacapoinventory.com. If an answer seems incomplete, check the linked article or contact support@dacapoinventory.com.
