Find unused district inventory

Inventory · https://docs.dacapoinventory.com/doc/find-unused-district-inventory/

You have the ability to search for all unassigned inventory in your school district. If you happen to need an extra Baritone Horn for a student, simply search for Baritone Horn. You will see a list of unassigned baritone horns in your district. If you click the ‘Email Button’, an email will be sent to your colleagues in those particular buildings.
